

## **COVID-19 Vaccination Information Request Form Now Available Through Orange County**

A Vaccination Information Request Form is now available for completion on the Orange County website for those individuals wishing to receive the COVID-19 vaccine as it becomes available.

As a reminder, the COVID-19 vaccine is currently being rolled out to specific groups in phases defined by the New York State Department of Health.

**Additional information regarding eligibility can be found at:**

<https://covid19vaccine.health.ny.gov/phased-distribution-vaccine#phase-1a>

**If you are interested in completing the request form, please visit:**
