

**BUDGET WORKSHOP**

February 25, 2015

7:30 p.m.

Present: Mayor Welle, Deputy Mayor Shuart, Trustee Chichester, Trustee Sacher, Acting DPW Supt Jurgen Breitfeld, Chief of Police, Dan Henderson, Village Treasurer Marie Coimbra.

The Mayor stated that all department heads were notified on February 11, 2015 that there was a meeting this evening and they were asked to let me know asap if they were unable to make it. I was notified on February 23, 2015 that the Judge was unable to attend. She also stated the board did not provide her with the pertinent information, I have no idea what she is talking about, she was given her year to date information as were all department heads. If she needs to identify additional information she needs to identify what it is, so we will deal with the court's budget at a later date.

The Mayor stated this is just a discussion none of this is set in stone, until the board adopts the budget.

**DPW BUDGET:**

**Water**

F.8320.200 – Request for Chlorinators, master meters, crock tanks and misc. \$5,000.00 but you also have on here a generator \$35,000 for Mary Harriman. Jurgen Brietfeld states that the reason for that generator is due to the mediation from North Main to Mary Harriman.

Trustee Sacher asks if there is no generator there now, this is new? Jurgen Brietfeld replies, yes.

F.8320.400 – Generator service contract, chlorine, orthophosphate, etc. - \$30,000.00 the redeveloping of two wells, which would be HP3 and Mary Harriman Well. Paperwork from Church on that proposal.

The Mayor asked Jurgen are those wells every 3 years? Jurgen replied yes. The Mayor asked which Mary Harriman? Jurgen replied 1A.

F.8340.200 – Truck #4 Replacement – Price from Robert Green \$42,600.00 from state bid. This truck is due for replacement. This truck does not have dual rears. Discussion on the difference of the Truck #4 now and the one he wants to purchase.

Discussion on keeping the old truck #4 and the different options for it to continue using it. This truck would need a new bed and the price on that would be \$4,000.00. Jurgen states that he could do without it.

Water meters on the continuation of replacement.

Wood chipper – would come out 25% of water and 75% of highway. Discussion on the safety and the convenience of having the chipper because they have to pile it until they haul it out to the lawn fill. Trustee Sacher asked if people would get brush pick up every day? Jurgen stated no it would be once a week.

F.8340.400 – Water works supplies and power wash tanks, this would be done in house, and this is for the rental of equipment.

Everything else on the water budget has to salaries, longevity and clothing allowance which are contractual.
