BUILDING PERMIT APPLICATION

Date: _____ Approved _____ Denied _____ PERMIT # _____

_____ ELECTRICAL _____ CONSTRUCTION _____ PLUMBING _____ ROOFING

Requirements for a Building Permit Application:

- a. The application **must be filled out completely, signed by the applicant/owner** and submitted to the Village Building Department for review and approval.
- b. Two surveys drawn to scale or two plot plan diagrams locating clearly and distinctly all buildings whether existing or proposed, and dimensions from property lines and existing structures.
- c. Two sets of drawings or plans drawn to scale including specifications describing the nature of the work to be performed, the materials and equipment to be used and installed, details of structural, mechanical, electrical, and plumbing installations, with a title block which includes section, block & lot, and street address of where work will be performed.
- d. Copy of contract showing cost of project.
- e. If a Special Permit, Site Plan Approval, or Zoning Variance was granted by the Village Board, Zoning Board or Planning Board, attach copy of dated decision of approval.
- f. Workman's Compensation & Disability Certificate and General Liability Insurance forms to be submitted with application with **Village of Harriman named as additional insured**.
- g. Permit Fee - Checks made payable to the **Village of Harriman**.
- h. Upon approval of this application, the Building Department will issue a Building Permit to the applicant together with an approved duplicate set of plans and specifications. Such permit, approved plans and specifications shall be kept on the premises available for inspection throughout the progress of the work.

No work covered by this application may commence before a Building Permit is issued. No building shall be occupied or used in whole or in part for any purpose until a Certificate of Occupancy is issued by the Village of Harriman Building Department Building Inspector.

APPLICATION IS HEREBY MADE to the Building Department for the issuance of a Building Permit pursuant to the *New York State Building Construction Code* for the construction of buildings, additions, or alterations, or for removal or demolition, or change-of-use as herein described. The applicant agrees to comply with all applicable State and Local laws, ordinances, and regulations.
