Village of Harriman Guidelines for “in person” Meetings

1. Individuals exhibiting symptoms of COVID-19 (cough, fever, difficulty breathing) should not attend the meetings.
2. If you or anyone in your household has experienced any cold or flu like symptoms within the last 48 hours, we request that you do not attend the meeting.
3. It is required, regardless of vaccination status, that everyone attending the meetings wear a face mask until they are seated. If you need to get up and move around, it is required that you put your face mask on.
4. The seats are placed 6’ apart and should not be moved unless to sit closer to a family member.
5. We appreciate your patience and cooperation. These guidelines are to protect all residents, visitors, and employees attending the meetings.
6. Hand sanitizer will be available as you enter the building. We request that you sanitize your hands when entering the meeting room.

THANK YOU
