Effective Tuesday, June 1, 2021 Village Hall is open to the public again. Thank-you for your patience and understanding while we were closed to the public during the pandemic. I am sure like you; we have all learned new ways of living and doing business. So, while our business hours return to 8:00 am - 4:00 pm, we will continue to use the Drop Box introduced at the start of the pandemic and located outside Village Hall entrance. Also, for your convenience, a Village staff person will be available, by appointment only, weekdays 7:00 am to 8:00 am.

**Please Also Note:** We will continue to follow CDC and NYS COVID-19 guidelines as they evolve and become available; as well as the following Village of Harriman In-Person Meeting guidelines.

- Individuals exhibiting symptoms of COVID-19 (cough, fever, difficulty breathing) should not attend the meetings or enter Village Hall.

- If you or anyone in your household has experienced any cold or flu like symptoms within the last 48 hours, we request that you do not attend the meeting or enter Village Hall.

Mayor Lou Medina
