The Village of Harriman will be resurfacing your street soon.

The following streets will be resurfaced: Rake St, Short St, Brookside Dr W from Brookside Dr E to Melody Ln.

We will notify you the day before the actual work will be done.

The process will be done on at least 2 separate days.

While the work is being done on your street, there will be **NO** on street parking permitted and **NO** traffic allowed while the work is taking place between approximately 7:00am and 5:00pm.

You will need to make arrangements to move your vehicles to another location if you are going to need access to them during the work hours.
